

Community Support Worker

UNIT/TEAMS Frontline, MASH Community Services

REPORTS TO Service Manager

BUSINESS GROUP PURPOSE MASH Trust delivers a range of housing support, community support services, social networking hubs and specialised services for people with disabilities, mental health, addiction and offending across the Central Region.

MASH Trust facilitates and actively promotes quality of life by attending to the physical, mental, spiritual, and social health of people, their whānau and their communities.

Achieving the MASH vision of being an “Influencing and sustainable organisation of substance, that responds to and develops people within our communities and within our team”.

ROLE PURPOSE To work collaboratively for the people we support in delivering person centred care and support, maintaining a high quality of life, a quality home environment, and encouraging full participation in all aspects of daily life. Community Support Workers are expected to function in accordance with the Treaty of Waitangi and to engage in professional development including NZQA-linked qualifications and attendance at MASH staff development workshops. Community Support Workers are also expected to contribute to policy and procedure reviews, planning and quality initiatives, and continuous quality improvement and risk management.

MASH TRUST MISSION

Working together to achieve great lives

OUR VALUES

Relationships	Build open relationships based on honesty and respect
Communication	Communicate with an open mind and heart
Mana	Recognise and promote the mana and strengths of the individual
Opportunities	Take opportunities to learn and grow together
Believe	Believe that together we will make a difference
Fun	Make fun a goal

KEY RESULT AREAS

KEY RESPONSIBILITIES	SUMMARY OF OUTCOMES
The people we support:	Care and support meet MASH policy and value expectations, health and disability sector standards

Provide safe, person-centred support which is consistent with MASH policy and values and within legal and ethical frameworks. Enabling Good Lives for the people we support by gathering information to assist with making informed decisions & person-centred plans with a focus on their voices and choices. Enable people we support to participate in leisure activities, sports, recreational, and community activities according to their individual support plans. Enabling the participation of all people we support in vocational and recreational pursuits, at their discretion, while fostering constructive involvement and person-centred approach. Provide opportunity for people we support to participate in vocational training, supported employment and interests according to their support plans and choices. Assist in implementing and reviewing behavioural management programmes where these are applicable (i.e. for non-verbal people we support). Attend staff meetings to ensure consistent support and participate in team discussions and making choices. Alerting as appropriate the Home Coordinator, Service Coordinator, Service Manager or Registered Nurse On Call to any concerns regarding the safety & wellbeing of people we support.	and is in accordance with the Health and Disability Commissioner's Code of Rights. Person-centred support plans are in place and followed. Reviews are undertaken as necessary (yearly as a minimum), and Community Support Workers contribute to this. The people we support are positively encouraged to engage in community and leisure activities that support their development and enrich their lives The people we support are living their best possible lives All rehabilitation and therapy programmes are followed correctly to ensure the safety and wellbeing the people we support and our team members. Behaviour is managed according to their individual support plans in all cases where behavioural management is an identified (such as contractual) requirement. Attendance at staff meetings is maintained and input is constructive. Proactive, timely interventions and collaborative problem solving occurs which avoids potential risks, and to resolve issues early. Plan reviews and communications to effect changes are undertaken without delay. All incidents and concerns are reported and resolved within timeframes and to prescribed standards.
Activities of Daily Living: Ensure the physical environment is clean, tidy and hygienic. Enabling the people we support to engage with preparing menus and cooking meals.
