Our Organisation

At Southern Cross Healthcare, our vision is to help people live their best lives by reimagining healthcare.

Across our nationwide network, we combine the skills of more than 4,000 people including nurses and anaesthetic technicians, working with specialists, surgeons, anaesthetists, and allied health practitioners.

As New Zealand's largest private provider of healthcare, our strong "for purpose ethos" and through being recognised as one of New Zealand's leading and most trusted brands, we are poised to amplify the delivery of healthcare services like no other.

Vision	Purpose
Our vision is for what we aspire.	Our purpose is why we exist.
To help people live their best lives by reimagining healthcare.	To advance the provision of quality healthcare in Aotearoa New Zealand.

Values and Behaviours

Care First: Care is at our heart. It's the foundation of who we are and how we approach our mahi. Through genuine manaakitanga, we deliver a quality of care that makes healthcare more human.

Better Together: Our strength comes from connection and collaboration – we bring together our diverse skills, perspectives, and experiences in the spirit of partnership and kotahitanga. We all play our part creating better outcomes for everyone.

Pursue Excellence: Every day brings a new opportunity to improve, innovate, and excel. We don't settle for 'good enough'. We're here to do our best work, delivering our best care for the people and communities we serve.

Role Purpose

The Peri-Anaesthesia Clinical Nurse Leader is a registered nurse responsible for the care of patients being prepared to undergo, or recovering from, anaesthesia. The role is pivotal in ensuring the smooth transition of patients through all aspects of their journey by providing leadership, mentorship and clinical supervision to the nursing and HCA team. The Peri-Anaesthesia Nurse CNL is responsible for patient care across Admissions, PACU and Day Stay according to operational requirements to facilitate service delivery and a streamline patient experience

Key Relationships
