Our Organisation

At Southern Cross Healthcare, our vision is to help people live their best lives by reimagining healthcare.

Across our nationwide network, we combine the skills of more than 4,000 people including nurses and anaesthetic technicians, working with specialists, surgeons, anaesthetists, and allied health practitioners.

As New Zealand's largest private provider of healthcare, our strong "for purpose ethos" and through being recognised as one of New Zealand's leading and most trusted brands, we are poised to amplify the delivery of healthcare services like no other.

Vision	Purpose
Our vision is for what we aspire.	Our purpose is why we exist.
To help people live their best lives by reimagining healthcare.	To advance the provision of quality healthcare in Aotearoa New Zealand.

Values and Behaviours

Care First: Care is at our heart. It's the foundation of who we are and how we approach our mahi. Through genuine manaakitanga, we deliver a quality of care that makes healthcare more human.

Better Together: Our strength comes from connection and collaboration – we bring together our diverse skills, perspectives, and experiences in the spirit of partnership and kotahitanga. We all play our part creating better outcomes for everyone.

Pursue Excellence: Every day brings a new opportunity to improve, innovate, and excel. We don't settle for 'good enough'. We're here to do our best work, delivering our best care for the people and communities we serve.

Role Purpose

To provide, as part of the theatre team, a high standard of all levels of sterilising services consisting of the decontamination, inspection, testing, assembly, packing and sterilisation of reusable medical devices including reprocessing of endoscopes using an Automated Endoscope Reprocessor (AER) in accordance with AS5369:2023 and GESA /GENCA Guidelines (where applicable).
