## Our Organisation

At Southern Cross Healthcare, our vision is to help people live their best lives by reimagining healthcare. Across our nationwide network, we combine the skills of more than 4,000 people including nurses and anaesthetic technicians, working with specialists, surgeons, anaesthetists, and allied health practitioners.

As New Zealand's largest private provider of healthcare, our strong "for purpose ethos" and through being recognised as one of New Zealand's leading and most trusted brands, we are poised to amplify the delivery of healthcare services like no other.

### Vision

Our vision is for what we aspire.

**To help people live their best lives by reimagining healthcare.**

### Purpose

Our purpose is why we exist.

**To advance the provision of quality healthcare in Aotearoa New Zealand.**

## Values and Behaviours

**Teamwork:** We will work together because we know that a strong team will always outperform strong individuals.

**Responsibility:** We will take ownership and pride in our work. We will act with integrity and be accountable for our behaviour.

**Respect:** We will act fairly in a culture of mutual trust and respect.

**Aspiration:** We will aspire to be the best we can be. We will recognise and celebrate success.

## Role Purpose

Provide both strategic and operational people and culture support to the General Managers of our hospitals, Senior Leadership teams, and leaders across the Group Operations portfolio, with a focus on cultivating a high-performance culture and fostering an engaged workforce. Collaborate closely with key stakeholders to align people strategies with business objectives, offering expert advice and guidance to drive organisational success. Develop and implement programs to attract, nurture, and retain top talent, while enhancing the overall employee experience.

## Key Relationships

### Internal

- General Managers
- Senior Leaders
- Clinical teams
- Executive Leadership team
- National Support Office functions
- Employees
- People & Culture Team

### External

- Employment Law specialists
- Unions
- Professional bodies
- Recruitment agencies and suppliers
- Third party contractors/suppliers

## Key Accountabilities

### Operational Excellence

- Facilitate the development of a high-performance culture through coaching leaders.
- Provide, and be accountable for, specialist knowledge, expertise, advice and assistance to senior leaders and their teams on people related decisions across all areas of people and culture.
- Educate and coach our managers on HR best practices, current trends and innovations.
- Deliver successful recruitment campaigns, owning the end-to-end recruitment process to recruit top talent from the market.
- Responsible for delivering core people processes across relevant client groups, such as remuneration reviews.
- Identify and resolve escalated employment relationship issues.
- Operate within and compliant with employment and immigration law and other relevant legislation pertaining to Employment Relations and business needs, as well as complying with appropriate policies, processes and procedures.
- Where appropriate, negotiate with external suppliers (recruitment agencies, contractors, providers) to ensure the organisation receives best value and return on investment.

### Strategic Partnership

- Partner with and support Senior Leaders and their teams across all areas of people and culture from a strategic and operational perspective.
- Support the development and implementation of each Hospital/Function People Plan.
- Contribute to planning and decision making within the People & Culture team to ensure we continue to provide effective and efficient services.
- Ensure process improvement, where relevant, is designed, introduced and implemented to enable best practice ways of working going forward.
- Build leaders capability to support high engagement, performance and capability with their people and teams.
- Contribute to the evolution of our attraction and retention strategy, ensuring issues facing the organisation related to attracting and retaining talent is proactively addressed.
- Implement recruitment and workforce planning strategies to address gaps in skills, knowledge and experience.
- Facilitate and manage organisational change and re-organisational processes in a consistent and fair manner, aligned with the strategic direction.

### Project Management

- Participate in and lead the successful delivery of organisation-wide people and performance strategic initiatives and projects, including people metrics, learning and

development, talent and capability, Employee Value Proposition and Employee Engagement Surveys.

- Where required, provide end-to-end project delivery and/or provide project needs analysis, business case, implementation etc.

### **Leadership**

- Incorporate our values in everyday practice and within the learning and development framework
- Act appropriately when faced with unexpected responses, confrontation or other crisis situations
- Establish, maintain and role model effective interpersonal relationships with others
- Mentor managers on employee development best practices
- Partner with leaders to develop people strategies i.e. performance, capability and succession.
- Provide support and guidance to the HR Advisors

### **Professional Responsibility**

- Accept responsibility for ensuring that practice, conduct and ER activities meet the standards of the professional, ethical and relevant legislated requirements
- Keep up to date with ER best practice, relevant legislation, policies and processes to ensure that all aspects of our work where relevant meet statutory and other requirements
- Consistently maintain standards of honesty, integrity and reliability
- Reflect on one's own personal skills and performance to identify both strengths and development needs

### **Health, Safety and Wellbeing**

- All employees are responsible for complying with health and safety policies and procedures.
- You are responsible for your own health and safety while at work and ensuring that your actions or inactions do not put others at risk.
- Identify, report and self-manage hazards where appropriate.
- Ensure that you complete early and accurate reporting of incidents at work.
- Participate and co-operate for shared health and safety responsibilities
- Actively participate where improvements to health and safety at SCHL can be made

### **Commitment to the principles of Te Tiriti o Waitangi**

- Demonstrate awareness and understanding of Te Tiriti o Waitangi obligations through manaakitanga (respect) and kawa whakaruruhau (cultural safety) as evidenced in interpersonal relationships.

### **Commitment to Diversity, Equity and Inclusion (DEI)**

- Honour diversity by acknowledging and respecting others' spiritual beliefs, cultural practices and lifestyle choices as evidenced in interpersonal relationships.
- Seek opportunities to include diversity, equity and inclusion practices in everyday work.

### **Commitment to Environment, Social and Governance (ESG)**

- Engage in sustainable practices whenever possible. Try to reduce the environmental impact of your work and take an active role to initiate change to meet Southern Cross' ESG (Environmental, Social and Governance) commitments.
- Actively engage to improve your knowledge regarding sustainable practices whenever possible.

## **Role Requirements**

### **Experience and skills desirable:**

- Experience within the Healthcare or related sectors

### **Education and qualifications required:**

- Undergraduate or tertiary qualification in Business Administration, Human Resources, Finance, Psychology, or a related field - preferred.
