

JOB DESCRIPTION

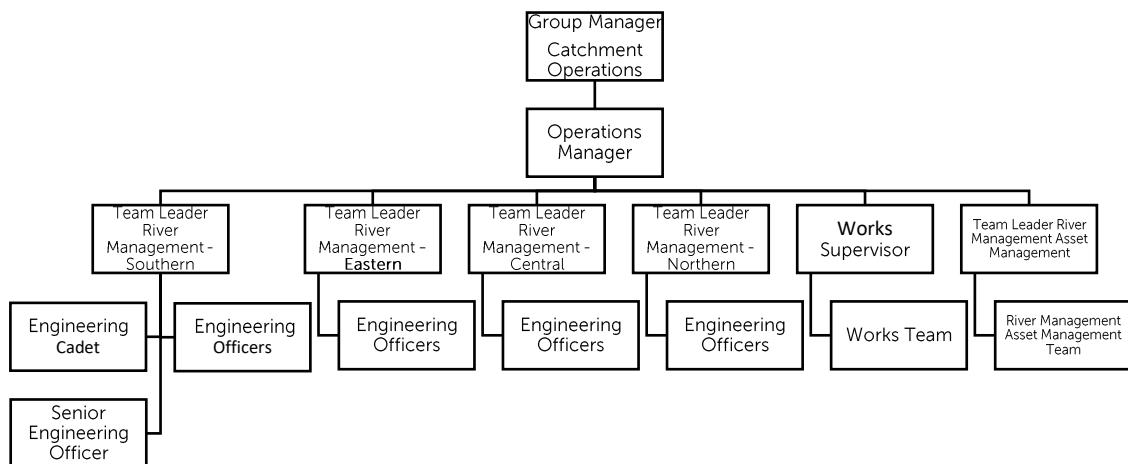

Job Title: Team Leader River Management
Work Unit: Operations Team, Catchment Operations Group
Responsible to: Operations Manager
Responsible for: Operational delivery of River Management activities within an Area of the Horizons Region (Northern, Southern, Central or Eastern).

Position purpose:

- Effectively coordinate and manage the Area Team and work programme.
- Coordinate the delivery of work programmes for the river management and flood protection activity and other specific projects as required, working closely with other Catchment Operations Teams. This includes managing budgets, procurement and reporting for projects, coordinating internal and external input to projects and engagement around the programme internally and externally.
- Be a key Horizons operational face in the area, developing and maintaining robust, effective relationships with customers and key stakeholders.
- Ensure that river and drainage schemes with the Area of responsibility function effectively, are sustainable and are resilient.
- Ensure that the cultural, ecological, biodiversity, and recreational values associated with river management works are thoroughly considered and embedded in the works we undertake.
- Ensure that there is a high level of awareness of and ensuring compliance with relevant regulatory requirements in all the works we undertake.

Salary: \$114,181 (85%) – \$134,331 (100%)
Date: May 2026
