Our Organisation

At Southern Cross Healthcare, our vision is to help people live their best lives by reimagining healthcare.

Across our nationwide network, we combine the skills of more than 4,000 people including nurses and anaesthetic technicians, working with specialists, surgeons, anaesthetists, and allied health practitioners.

As New Zealand's largest private provider of healthcare, our strong "for purpose ethos" and through being recognised as one of New Zealand's leading and most trusted brands, we are poised to amplify the delivery of healthcare services like no other.

Vision	Purpose
Our vision is for what we aspire.	Our purpose is why we exist.
To help people live their best lives by reimagining healthcare.	To advance the provision of quality healthcare in Aotearoa New Zealand.

Values and Behaviours

Care First: Care is at our heart. It's the foundation of who we are and how we approach our mahi. Through genuine manaakitanga, we deliver a quality of care that makes healthcare more human.

Better Together: Our strength comes from connection and collaboration – we bring together our diverse skills, perspectives, and experiences in the spirit of partnership and kotahitanga. We all play our part creating better outcomes for everyone.

Pursue Excellence: Every day brings a new opportunity to improve, innovate, and excel. We don't settle for 'good enough'. We're here to do our best work, delivering our best care for the people and communities we serve.

Role Purpose

The Anaesthetic 2IC provides advanced clinical leadership, coordination and support within the anaesthetic care service, and is responsible for supporting the Anaesthetic Team Leader. They provide skilled assistance to the Anaesthetist to ensure safe patient care during anaesthesia and supports the effective management of daily clinical operations. The Anaesthetic 2 IC also supports and educates the Anaesthetic team and works closely with the Anaesthetic Team Leader and Theatre Services Manager to achieve the hospital's goals. The Anaesthetic 2 IC acts as a role model, demonstrating expert clinical knowledge, critical thinking and leadership to enhance patient outcomes.

Key Accountabilities

Clinical Practice

- Ensures the delivery of safe, professional anaesthetic practice that meets acceptable clinical standards by demonstrating an understanding of and compliance with hospital policies and procedures, and nationally and internationally recognised standards, guidelines and accepted practices.
- Contributes to the delivery of quality, cost effective patient care through an appropriate level of patient assessment, effective workload management, teamwork, and flexible rostering that is responsive to the changing needs of the business and patient care requirements.
- Ensures anaesthetic equipment is checked and prepared appropriately for every procedure.
- Ensures timely and accurate documentation by recording patient assessments, Anaesthetic Assistant activities, and Medical Specialists instructions.
- Demonstrates advanced knowledge and skill in anaesthetic care and provides coaching, teaching, and mentoring to colleagues.
- Leads the team in the management of emergencies and complex situations within scope of practice.
- Takes a leadership role in critical incident debriefing.
- Is proactive in ensuring the principles of the Treaty of Waitangi are applied to practice.
- Leads others in an awareness of the needs of other cultures and ethnicities and oversees its application to practice.

- Maintains competence and knowledge in CPR, Infection Control, Fire Safety and Evacuation, Health and Safety at Work.
- Actively participates in the provision of clinical care on the OR roster,
- Actively supports the team in all aspects of patient preparation and care.

Business Acumen

- Ensures staff rosters and costs are managed in a fair and efficient way, in collaboration with the Anaesthetic Team Leader and Theatre Services Manager
- Ensures the costs of medical supplies and other costs/fees to be charged to the patient are captured
- Is involved in recruitment processes for Anaesthetic Assistants
- Leads the evaluation of new products or equipment related to Anaesthetics
- Provides input into and formulates CAPEX proposals for anaesthetic equipment

Relationship Management

- Is active and pursues the enhancement of relationships with internal/external customers
- Is a role model and presents a professional image at all times
- Responds positively to feedback
- Is a role model for accomplished communication skills

Safety, Quality and Risk

- Ensure all anaesthetic equipment is maintained and checked in compliance with recognised standards
- Initiates and leads change informed by audit results
- Review and responds to SafeHub reporting
- Identifies and leads quality initiatives to improve clinical practice and patient outcomes
- Monitors trends and takes action in response to risk management and incident reporting
- Works proactively towards ensuring attainment of the Health & Disability Services Standards

Professional Development

- Ensures the development of Anaesthetic Assistants knowledge and skill by taking responsibility for their own learning needs, promoting reflective practice, identifying development objectives, and leading and participating in educational opportunities
- Demonstrates accomplished skills in supervision, coaching and teaching of Anaesthetic Assistants
- Actively participates in the maintenance of own personal and professional development
- Prepares and participates in own performance appraisal
- Ensures annual performance reviews are undertaken for the Anaesthetic Assistant team as delegated by Anaesthetic Team Leader
- Participates in the SCH PDRP programme

Health, Safety and Wellbeing

- All employees are responsible for complying with health and safety policies and procedures.
- You are responsible for your own health and safety while at work and ensuring that your actions or inactions do not put others at risk.
- Identify, report and self-manage hazards where appropriate.
- Ensure that you complete early and accurate reporting of incidents at work.
- Participate and co-operate for shared health and safety responsibilities
- Actively participate where improvements to health and safety at SCHL can be made

Commitment to the principles of Te Tiriti o Waitangi

- Demonstrate awareness and understanding of Te Tiriti o Waitangi obligations through manaakitanga (respect) and kawa whakaruruhau (cultural safety) as evidenced in interpersonal relationships.

Commitment to Diversity, Equity and Inclusion (DEI)

- Honour diversity by acknowledging and respecting others' spiritual beliefs, cultural practices and lifestyle choices as evidenced in interpersonal relationships.
- Seek opportunities to include diversity, equity and inclusion practices in everyday work.

Commitment to Environment, Social and Governance (ESG)

- Engage in sustainable practices whenever possible. Try to reduce the environmental impact of your work and take an active role to initiate change to meet Southern Cross' ESG (Environmental, Social and Governance) commitments.
- Actively engage to improve your knowledge regarding sustainable practices whenever possible.
