

JOB DESCRIPTION			
<b>Position</b>	Finance Business Partner - Operations	<b>Division</b>	Rockit Trading Company Limited
<b>Reports to</b>	Head of Financial Planning & Analysis	<b>Date</b>	April 2026

### Job Purpose

1. Provide financial and strategic support for the operations business units, including both NZ and Offshore Operations. A key focus is the recording and reporting of key operational metrics including labour and other costs, volumes and packhouse yields.
2. Supporting Project Managers for capital development projects - ensuring budget tracking, forecasting and breaking down capital projects into capitalizable components.
3. Provide accounting support and ensuring best practice accounting and internal controls are adhered to.
4. To contribute to the positive process and culture of excellence within the organisation.

### Key Responsibilities

#### Operational Budgeting and Forecasting

1. Provide coolstore, packhouse, third party packing and other supply chain inputs into the Company budget process
2. Update changes in postharvest volumes, yields, fruit sizing, sales pricing, etc as necessary and provide input into the Company forecasting models.
3. Provide input into budgeting and forecasting for global operations and supply chain related capital projects and capital expenditure.

#### Analysis and Reporting

4. Ensure detailed financial reporting by coolstore and packhouse vs budget is completed in a timely and accurate manner, reviewed and distributed to Operations Manager and the SLT.
5. Analyse and interpret key labour and cost trends and update management regarding their impact on the business.
6. Identify opportunities for revenue increase and / or cost reduction and work with the Operations team to implement.

#### Operations Metrics, Cost Tracking and Reporting

7. Timely and accurate reporting and variance analysis of operational metrics - bins in store, bins packed, yield, quality, RTE's produced, RTE's in store, inventory age, containers shipped etc.

8. Ensure major costs are tracked and reported weekly against budget including labour, packaging, energy, R&M and other major coolstore and packhouse expenditure.
9. Ensure General Ledger reconciles with Labour input system (e.g. Lauranka)
10. Understand end to end cost of various packing and supply chain options (e.g. pack at Te Ipu vs third party). Make recommendations to drive savings and efficiency through the end to end supply chain.
11. Establish and document transaction flow of operations, supply chain and packaging costs between Rockit, its China Subsidiary, Rockit Apple Growers Trust packing partners and customers.
12. Providing support to the Rockit China Finance team and accounting advisers.
13. Oversee and review monthly reporting for Group Reporting Purposes
14. Support budgeting and forecasting for Rockit China

Financial Accounting and Business Support:

15. Assist in the preparation of accurate and timely month end reporting for Rockit entities and consolidated management accounts.
16. Supporting the yearend audit process and working closely with the business to gather information and overseeing yearend stock take procedures.
17. Support maintaining the Group's fixed asset registers.
18. Ensure appropriate controls, policies and efficient processes are being adhered to, to guarantee integrity, reliability, and support timely financial reporting and decision making.
19. Initiate and implement process improvement activities.
20. Any other tasks as required to support the finance function and wider business.

**Organisational Obligations**

1. Demonstrate company values.
2. Demonstrate commitment to health and safety and compliance with company policies.
3. Maintain a high standard of performance and commitment to internal and external customer service.
4. Ensure confidentiality of personal and business information.
5. A positive attitude and a can-do attitude.
6. Pro-active input and teamwork is critical in this rapidly expanding company.
7. An ability to produce information and data in an innovative way is highly desirable.
8. Undertake other duties appropriate to the position as required.
9. Establish effective relationships internally and externally and collaborate to achieve RGL objectives.

**Key Relationships**

Internal:  
Finance Team Members  
COO and operations managers

External:  
Auditors

Rockit Trading Shanghai Team Other Rockit Managers and administrators	Third party providers – i.e. third party packers
--	--

### Personal Specification Requirements

#### Education

- Tertiary qualification and preferably hold a CA qualification

#### Experience

- Financial and/or commercial accounting experience – preferably with experience in operations and/or offshore subsidiaries
- High level of IT experience and capability – including Excel
- Advanced level of computer literacy including accounting and administration systems
- Competency of Xero software desirable

#### Knowledge, Skills & Personal Attributes

- Excellent written and verbal communication
- Commitment to continuous improvement
- Accuracy, analytical skills and attention to detail
- Focus on deliverables and deadlines
- Confidentiality, integrity and reliability
- Initiative and enthusiasm
- Team player

### Team Values

Proactively demonstrate RGL's values in all work and internal and external interactions.

#### Action Over Words

At Rockit we've never been about the talk; it's always been about the doing. Doing things that nobody thought was possible.

#### Unstoppable Passion

We use a simple formula; passion in the work, unbridled ingenuity and backing ourselves. We believe the world would be a better place if everyone rocked it with us.

#### Doing Things Differently

Doing things differently has always been part of our DNA, and it's what saw us take a punt on the world's smallest apple and turn it into a big New Zealand success story.

#### He Toa Takitini

Ehara taka toa, te toa takitahi, he toa takatini kē

Uniting all cultures, as we strive to make a difference within our communities and in all aspects of our environment, while being true to ourselves
