

JOB DESCRIPTION

Job Title: Freshwater Advisor | Kaitohutohu Waimāori
Work Unit: Freshwater and Projects team, Catchment Operations group
Responsible to: Team Leader Regional Freshwater Implementation
Responsible for: Occasionally supervising 1-5 staff or contractors depending on project/strategic focus.

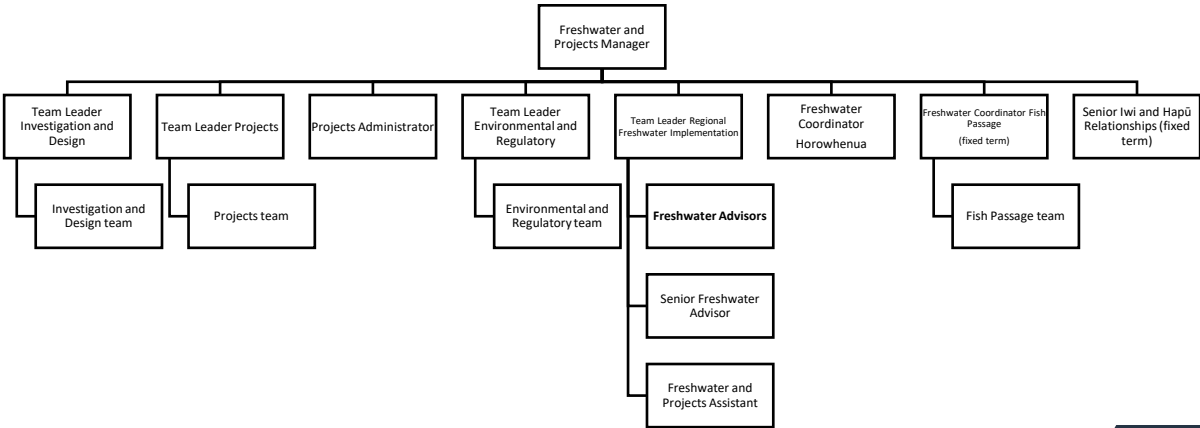

Position purpose:

- Deliver on projects for the Catchment Operations group with an emphasis on organisational priorities and/or core activities (primarily in the improvement of water quality and aquatic habitat implementation field);
- To liaise with, respond to, and manage (including expectations) a variety of external customers (eg. ratepayers, landowners, community groups, and contractors);
- Provide technical support to landowners and external stakeholders around implementation of actions for water quality and aquatic habitat improvement including best practice management; and
- Collect, manage and analyse data around work programmes.

There is an expectation that you will actively uphold the values of Te Tiriti O Waitangi (Treaty of Waitangi) and be aware of the cultural significance of the regions’ waterways to local iwi, hapū, whānau and tangata whenua corporations (especially when working within the awa of our region). This role is partially public facing, and will require you to engage with members of the public in conversation to discuss aspects of the work that the Regional Council undertakes.

Salary: \$77,959 (85%) – \$91,717 (100%)
Date: April 2025
